Engraved Brick Program

The Wright "B" Flyer, Inc., an all-volunteer 501 c (3) non-profit organization, is dedicated to the preservation of early aviation with flyable versions of the Wright Brothers 1911 aircraft.

A name-engraved brick program provides funds for this exciting activity. For a $100 contribution you or someone you wish to honor can be immortalized at the Wright "B" Flyer Hangar. The bricks are placed along either side of the entrance sidewalk to the Wright "B" Hangar.
